Terms and Conditions for Vehicle Entry into the Singapore Cruise Centre@HarbourFront

1. All vehicles entering the wharf apron at the Singapore Cruise Centre@HarbourFront must complete this form prior to the arrival at the apron gate. No advance application to SCC is required.
2. At the terminal apron gate, the forms should be submitted with a duplicate copy to the SCC staff for stamping of date and time of entry. When leaving, the forms will again be stamped at the apron gate to record the time and date of exit. One copy will be returned to the driver.
3. Vehicle entry charges are as follows;
 - (a) \$42.80 (incl. GST) per hour or part thereof per container per entry and
 - (b) \$21.40 (incl. GST) per hour or part thereof per vehicle per entry for other authorized vehicles.
4. Applicant with a valid SCC account will have the charges billed to their account. Vehicles are only allowed in the wharf for the stipulated period. Vehicles that exceed the stipulated time will incur additional charges, which will be billed subsequently to the applicant.
5. The port agent must schedule the vehicles such that no more than 5 vehicles per vessel will be in the wharf apron at any one time. Additional vehicles will not be allowed to the ship's side until one of the 5 vehicles inside leaves the terminal. This is to avoid congestion on the pier. Vehicles waiting for their turn to enter should not cause obstruction along the entry point.
6. At the point of entry into the terminal apron, the user is to produce the following documents:
 - a) Completed vehicle entry form;
 - b) Valid SCC Pass for each individual entering the terminal;
 - c) Contractor's permit;
 - d) Shipping notes, if supplies are brought to the vessel and
 - e) Job scope or Work Order from the Agent or Master of the vessel.
7. Please note that vehicles without the vehicles entry application will not be allowed to enter the terminal. Private cars are also not allowed into the terminal, unless authorised by SCC.
8. The applicant will indemnify SCC from any form of liability that may arise in relation to the vehicle at SCC@HarbourFront.
9. SCC reserves the right to grant or reject the vehicle entry application.
10. For further enquires, please call the Pass Office at 65132211.
